OUR MISSION

To make Collier County the best place in America to live, work, and visit.

CHAMBER EVENTS AND PROGRAMS

Accelerated Networking Lunch

This popular networking event is an energetic, lead-producing session of Chamber Members. Host fellow business professionals for this rapid-fire session of idea, contact and referral exchange.

Annual Meeting

The much-anticipated, Greater Naples Chamber of Commerce Annual Dinner will be held in May at The Ritz-Carlton Golf Resort in celebration of the year's accomplishments with a special evening of recognitions, executive summaries, and entertainment with over of 350 affluent members of the Southwest Florida business community in attendance.

At this commemorative affair, the Chamber announces outgoing and incoming officers and members of the Board of Directors and honors the recipients of several important community awards including Naples Daily News Outstanding Citizen of the Year.

Business After Five

Exclusively showcase your company or organization and become a host for the Naples Chamber, Business After 5™! A casual networking event of business professionals to share lively ideas, create connections and build relationships. Hosted at a different member venue each month, these events will include delicious food, refreshing beverages and dynamic entertainment while helping to enhance the betterment of our community.

Chamber Classic Golf Tournament

The annual Chamber Classic supports efforts of the Chamber to serve as a connector, advocate and leader for the Collier County community. Golfers enjoy a tasty lunch buffet, a spirited scramble, and three-flight tournament at a world-class golf club. The day concludes with a silent auction and trophies are awarded to winners. Goodie bags are provided to all golfers.

Distinguished Public Service Awards

This very special edition of Wake Up Naples features the moving stories of extraordinary acts or services of this region's finest public service personnel. The awards recognize exceptional contribution of either a single act or career service, by an individual to their respective public service profession, and to the well-being of the Collier County community. Established in 2003, these awards are presented annually by The Greater Naples Chamber of Commerce in association with Naples Daily News.

Excellence in Industry Awards

The Excellence in Industry Awards recognize corporate and individual excellence in the Collier County business community. Awards are presented in six categories: Business Expansion, Chairman's Award, Company to Watch, Young Professional of the Year, Heart of the Community and Pillar Award. The awards program is presented by Opportunity Naples in coordination with The Greater Naples Chamber of Commerce.

Executive Club

Executive Club events are exclusive to members-only and offer value-added opportunities to network, build relationships and develop business. Executive Club events are offered twice annually.

New Member Orientation

Each quarter, the Chamber convenes new and existing members to learn more about the benefits and member services available through membership. As a breakfast sponsor, the company representative would have the chance to speak to attendees about their business and services.

Professional Education Series

At The Greater Naples Chamber of Commerce we believe in continued education of the community to further enhance our workforce. The Professional Education Series provides a platform to highlight expertise in your industry to community and Chamber members. As a host sponsor, you will share your professional knowledge while promoting your company and ultimately generating new relationships to enhance your business.

Wake Up Naples

We are committed to building a connected, educated and world-class community with opportunities for continued learning and growth! Hosted at the Hilton Naples, this highly-attended, monthly breakfast event includes dynamic speakers and valuable networking opportunities. As a sponsor or table-top exhibitor you will reach area business professionals and community business leaders with your message and brand while supporting the betterment of Collier County.

LEADERSHIP COLLIER FOUNDATION™ EVENTS AND PROGRAMS

The Leadership Collier Foundation™ (LCF), a 501(c) 3 corporation of The Naples Chamber, works to build a broad-based network of community leaders who enhance their leadership abilities and skills through continuing education, shared perspectives and community involvement to enable them to work toward solutions in the public interest. The Foundation accomplishes this through:

Leadership Collier™, Growing Associates in Naples™ (GAIN™), Youth Leadership Collier™, Emerging Leadership Council, Campaign for Leadership™, LCF Alumni Association™

Leadership Collier™ Kickoff

The Leadership Collier Foundation welcome the incoming class Leadership Collier at this cocktail reception held in September of each year. LCF Alumni and guests attend to support the incoming class and show the benefits and honor of becoming a LCF Alumnus.

Leadership Collier Foundation™ Graduation

This very special event brings hundreds of LCF alumni and guests together to celebrate the graduation of the annual of Leadership Collier™ and Growing Associates in Naples™ (GAIN™) classes. Held in April of each year, the LCF also honors an alumnus with the Distinguished Alumni Award.

Children's Business Fair

At the Children's Business Fair, young entrepreneurs, ages 6-17, setup shop and open for customers at a local venue. Working with the Chamber, children learn free-market principles, how the workforce drives the local economy and relish the rewards of their hard work.

Internship Expo

This event will showcase businesses from various industries within our community, allowing students to connect first hand with work-based learning opportunities and giving local businesses the chance to engage with our local talent.

Industry Fairs

The Leadership Collier Foundation will work with Collier County Public Schools to schedule day-long Industry Fairs throughout the year. Representatives from different companies and organizations will be present to expose students to a variety of companies and work-based learning opportunities within the specific industry.

Internship Lunch-and-Learn Series

This educational lunch informs business professionals about all aspects of internships and work-based learning opportunities through the LCF. Employers will hear about best practices when hosting an intern and will leave equipped with toolkits and points of contact as they move forward in their own organizations with work-based learning opportunities.

Mentor Matching

Through the Leadership Collier Foundation's network of Alumni, LCF graduates of all ages will connect as mentors and mentees. This program will expand the mission of the LCF on a one-on-one level.

An annual "Mentor Matching Mixer" will take place for any of our Youth Leadership Collier mentor matches. This will be a fun and engaging lunch or dinner to jump-start the mentor/mentee relationship and discuss specific goals and objectives for each pairing.

Youth Leadership Career Speaker Series

Leadership Collier Foundation (LCF) Alumni will "adopt" a CCPS high school and work with school administration to host a yearly business panel for students at each high school. Students will hear from industry leaders that represent their National Academy Foundations (NAF) curriculum as well as other local business and community leaders. NAF is a national network of education, business, and community leaders who work together to ensure high school students are college, career, and future ready. Community and business leaders will discuss their industry, background, and opportunities for internship and work-based learning within their company.

GROW PROFESSIONALLY. BUILD LEADERSHIP. GET CONNECTED.
