You have been nominated for Business of the Month!

Each month, The Greater Naples Chamber of Commerce and the Board of Collier County Commissioners recognize an organization that has enhanced the community through financial, volunteer and active involvement in organizations and programs that assist in creating a better quality of life for all citizens in Collier County.

The honoree is presented with a commemorative plaque at the Board of County Commissioners meeting. A photo and news release is distributed to all Southwest Florida Media and Chamber Members, as well as featured in Chamber communications, the Chamber's website and promoted through social media.
